The Bread Loaf Stock Farm, Middlebury SEASON OF 1885.

FORTY Mares have been covered, or are already booked to him. 20 more approved mares will be taken.

TERMS-\$100 to warrant; \$75, with privilege of return should mare not prove in foal; \$50, cash, for the season.

Will stand at the Weybridge stables at very low price of \$25 with privilege of return. Two mares from same owner, \$40. Two of Motion's colts have been sold at auction at over \$500 each. Less than a dozen of his colts are as yet 4 years old. We confidently expect to see his colts rank with the fastest in the Country.

ANIEL LAMBERT is one of the greatest trotting sires, if not the greatest, that the world has yet produced. He has now 19 more trotters with records than any other living horse; and we believe the services of a sire of anything like equal established merit have never before been offered so low.

Teacher and scholars seem to vie with each other in making it a source of pleasure and profit and in keeping up the in-terest of the class and increasing the numbers. The evening was very pleas-antly passed with a variety of games and music, both instrumental and vocal. The German dwarf, who was present, contributed greatly to the amusement of the company. The refreshments consisted of ice-cream, cake, confectionery and so forth. The young people separated at a reasonable hour, each feeling that the evening spent with their loved and re-spected teacher would long be remem-bered as a bright spot in their lives.

It seems that the two ing year, ready for the superstructure, former gentlemen were duck-hunting near Alburgh, and succeeded in shooting several ducks. They were hungry, and conceived the idea of roasting some duck over an extemporized fire. Accordingly, they went upon the land of Parson Cady and there seized upon some rails, with which they built a fire. The parson, discovering that they had misappropriated his property, approached them and se-verely censured the legal gentlemen for "stealing his rails." At this Minister Phelps invited the parson into his tent, in his polite way, and finally induced him to take some of the duck. The parson be-came pleased with the cooking, and left with many spologies for his language when he found out who the gentlemen were. Whereupon the judge remarked to Phelps that he would make a good diplomatist—and sure enough, the duck diplomatist is now diplomatist at the
